Sue and Alan Broadbridge had a lucky escape when their car and caravan were written off on their way to Wales. Thank goodness both they and their dogs escaped uninjured. What an awful experience for them and we send them all our best wishes.

Congratulations to Steven Chapman and his partner Andrew on their recent marriage celebrations, I believe a great day was enjoyed by all and we wish them every happiness for the future.

I look forward to receiving all your news, so don't forget to let me know
