The Lowchen Fun Day and Picnic was held on 8<sup>th</sup> July and the weather was glorious, a little too hot, but everything was in place to keep everyone cool, well fed and watered. Thanks to a hard working Committee and members of the Club who helped, it was a fantastic day and thoroughly enjoyed by all. 47 Little Lions came to take part in the fun and of course the 50<sup>th</sup> Anniversary photograph and wonderful to see the youngsters getting involved. Thank you to everyone who supported the day, events like this are so important to the future of the breed. A full report and lots of photos are now up on the Club website to see, and everyone is looking forward already to next year.

A few reminders entries for the Club Open show close on the 21<sup>st</sup> July. Anyone who would like to be considered for the Lowchen Club judging lists or if already on and would like to update their CV's these must be received by the Secretary by 31<sup>st</sup> August.
