After much anticipation the Lowchen World Congress has now been held and over. It was a great event held over two days after the WDS in Amsterdam. Around 30 Lowchen enthusiasts attended and most countries were represented including USA and Australia. A full report will be given soon by the event organisers and will be on the Club website along with photographs. It was wonderful to meet old friends and make new ones who we have only met through social media before. There was time for a little fun and most made it into the city for a sight seeing and back out again ! The Schedule is now out for the 50th Anniversary Championship Show and is also available on the website. Entries close for Darlington and Driffield on 28th August and South Wales 3rd September. If you wish to update your judging CV it needs to be with the secretary by 31st August. The same goes if you wish to be considered for the Club judging list, applications again in by 31st August. Hyde & District Open Show on 18th November have four classes for Lowchen scheduled, to be held at Sutton Leisure Centre St Helens, judge is Diane Saker.

Don't forget to let me have your news and views and information on any open shows with Lowchen classes.
